

Consulting For The Digital Age

OUR INTRODUCTION

In short, we deliver results. We focus on the challenges of each individual client, and strategically plan a course of action that drives the client to their goals, helping them adapt first and succeed fast.

OUR DIFFERENTIATORS

We take businesses to another level with digital transformation by using agility, speed, focused expertise, and proven methodologies to scale.

AGILITY & SPEED

FOCUSED EXPERTISE

PROVEN METHODOLOGY TO SCALE

OUR SERVICES

Focused on five areas of expertise:

SOCIAL AND COLLABORATION

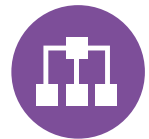

MOBILE APPLICATION DEVELOPMENT

BUSINESS INTELLIGENCE AND ANALYTICS

CLOUD AND SOFTWARE DEVELOPMENT

CHANGE MANAGEMENT

OUR CLIENTS LOVE US

Aparna Singhal,
Director of Sales Operations, Google

"I am so impressed with what your team has accomplished in three short months. You are running circles around our other vendor (big 4) that is also providing a managed service."

Ellie Diaz,
VP, OE Customer Engagement, PayPal

"iTalent provided Strategic Planning, Portfolio and Program Delivery support for one of our top initiatives; Voice-of-the-Customer. They were instrumental in helping us achieve billions of dollars in cumulative TPV and impact over 90 million customer experiences."

Cindy Lain,
Sr Director of Engineering, Veritas

"iTalent...collaborated with us to define the Engineering Vision and Strategy, supported with developing the next generation delivery model, and also provided product engineering support. They truly weave magic!"
